Warranty

In-Situ, Inc., (In-Situ) warrants that all new products manufactured by it shall be free from defects in materials and workmanship for a period of one year (except for water quality sensors, calibration solutions, cables accessories, which carry a 90 day warranty) when properly installed and operated in accordance with the instruction manuals provided by, or available through, In-Situ, and when used within the design specifications for the product. Products accessory products including batteries, which are manufactured by others, carry the warranty of that manufacturer, or thirty days, whichever is greater. The warranty period for all products begins on the day the product is shipped to the customer or distributor.

In-Situ agrees to repair, or, at its option, replace at no charge, components that have proven to be defective during the warranty period, provided that the warranted product is shipped, postage prepaid, to In-Situ. In-Situ's Customer Service staff must be contacted for a Return Materials Authorization (RMA) number and shipping instructions prior to shipment to In-Situ.

These warranties do not apply to any product that has been damaged either by negligence, accident or misuse by any other person. Nor do these warranties apply to any product that has been repaired, altered, serviced, or modified by an unauthorized person.

There are no other warranties, express or implied, which extend beyond the face hereof; In-Situ makes no warranties of merchantability or of fitness for any particular purpose.

In-Situ's obligation and liability under this warranty is expressly limited to either repairing and replacing, at In-Situ's option, any product found to be defective or otherwise not in conformity with this warranty. The obligation to repair or replace shall terminate when the warranty period expires.

In-Situ's maximum liability in damages to customer, from whatever source, including any breach of contract or warranty, shall be limited to the difference between the delivery price of the product and the market price of such product at Customer's destination at the time of such breach. In no event shall In-Situ be liable for personal injury, property damage, loss of profit, delay or any incidental or consequential damages whether arising from contract, breach of contract, tort, In-Situ's negligence, strict liability or the breach of any express or implied warranty, including but not limited to any implied warranties of merchantability or fitness for a particular purpose.

Purchase orders may also be submitted to: insidesales@in-situ.com. The pricing listed on the purchase order must match pricing approved by In-Situ for that order. Once the order is accepted by In-Situ, no price changes will be applicable, unless covered by a separate, written agreement. Issuance of a purchase order by customer means that it has fully accepted all terms and conditions, including payment terms, set forth in this document. No other terms or conditions shall be binding upon In-Situ unless covered by separate, written agreement signed by In-Situ.

All freight must be prepaid by the customer. In-Situ has the right to refuse returns. Accepted returns will be credited to the customer's account. Refunds will not be issued.

Orders cancelled prior to shipment will be billed for all work and non-reworkable materials at the standard rate for repairs. Orders cancelled after shipment are subject to a restocking fee of 20% of the order price. Items returned must arrive at In-Situ's offices within 15 days of original shipment and remain unopened in the original packaging. Custom orders, including cables, will be subject to a cancellation fee of the full purchase price.
